Mental Health Professionals, EMS and PSTs are deployed across affected areas. Director Damming and Senate President Sweeney ensure that all county employees have proper identification and credentials.

Director Robert M. Daminger has allocated special hours at the Gloucester County Solid Waste Complex (Landfill) for debris removal.

Gloucester County Public Works will be removing debris from houses across the county. Please keep your debris away from the curb line and be patient for pickup.

Director Damming established a help line for individuals seeking assistance in affected areas, call (856) 307-4805 during regular business hours.

If you have an immediate emergency, call 911.

If you located in the areas affected and are in need of donations, please fill out the form below for direct assistance.

Or visit
<https://bit.ly/GCDonations>

If you have not already done so, please call your Insurance Provider. They can provide immediate assistance if eligible.

Home Cleanup Hotline, call (844) 965-1386 or visit www.crisiscleanup.org

You will be connected with volunteers from local relief organizations. All services are free, but service is not guaranteed due to the overwhelming need.

We will recover together! #GCstrong
