Year End Report

This year the Wenonah Volunteer Fire Company celebrated 135 years of dedicated service to the Borough of Wenonah and our surrounding communities. While firefighting has changed dramatically in those years, the backbone of our company's success is still found in the dedicated men and women who selflessly give their time and talents to the service of their neighbors. This year we were in service 204 times, 145 of which were emergency responses. Automatic fire alarms, fumes investigations, and car crashes were our most common calls this year. The other 59 times in service should

serve as a reminder that the company is not busy only when the sirens sound, but in the hours of training, maintenance, and community engagement. That number does not include hours of office work and firehouse management done by both the line and executive officers. I am pleased to report there were no fires within the Borough this year that resulted in damage to homes or businesses.

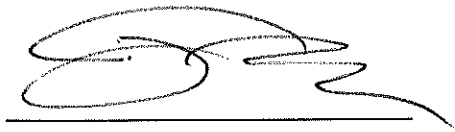

Three new members joined our ranks this year, and two of our members (Anthony Ayers and Jack Lerner) completed their Firefighter I training at Camden County Fire Academy. We stood by proudly while two of our members were sworn in as career firefighters in other jurisdictions. Ryan Sole was sworn in as a firefighter in the Borough of Glassboro and Justin Marchuk began his career with the Deptford Fire Department. Both men continue to volunteer their time serving in the Wenonah Fire Company. Jackie Graves completed her Engineer's training this year and is now certified to drive both trucks. An extra thanks to Asst. Chief Pedersen and Chief Sole for their time and effort in seeing her through her training. A number of our members encountered substantial personal challenges this year, but they continued to serve with distinction and with the support of their brothers and sisters in the company.

This year we expanded our century-long partnership with the Woodbury Heights Fire Department. We now operate together on all responses, have increased our mutual training, and support each other in non-incident related activities. This partnership provides both boroughs with an additional layer of protection and gives our members the ability to be a part of a larger team. We also further solidified our relationship with the Westville and National Park Fire Departments, both operationally through the Rapid Intervention Teams and combined efforts to reach potential members through Gateway Regional High School. The company also responded to Deptford and Mantua Townships to assist on working fires this year.

I want to acknowledge and thank Chief Richard Black for his years of service as the Emergency Management Coordinator. Rich assisted the Borough, and the Fire Company with the many complexities of the Emergency Management System. We are looking forward to working with Rob Blaker in the future. Our solid relationship with Mayor and Council, the Mantua Police Department, and Wenonah Public Works is a further reflection of the effective partnerships that make Wenonah such a safe and enjoyable place to live. Above all, I thank the men and women I have the honor of leading. You are the very essence of what makes Wenonah unique and special.

I am pleased to report all Borough owned equipment, including the fire apparatus are in excellent working condition and are current on all required maintenance and certification schedules.

Best wishes for a safe and successful 2024.

Report to Borough Council January 4, 2024

In 2023, the Wenonah Library circulated 4272 physical items, 1539 digital downloads, which includes audiobooks, eBooks, movies, TV, and music through Overdrive's Libby app and the hoopla app provided by a contract funding by the library. Ebsco Discovery Service allowed our patrons to have access to thousands of articles and journals and was used 1163 times in 2023. We added 98 new patrons and provided services to 5761 people inside our beautiful library. We had 9 open public meetings, 150 programs sponsored by the library, 701 participants in fun and educational programs, 15 programs sponsored by community groups attended by 301 citizens, 5 class visits from students of Wenonah Elementary School, and dozens of volunteers helped out.

Our Friends of the Library held 2 used book sales, one of which was the biggest and best ever, a Valentine's Day event, Spooky Story Night and a Holiday Open House. During the Holiday Open House, the library staff and friends shared some of their favorite treats and volunteer musicians from our talented Wenonah neighbors provided live music. Through Santa's Mailbox, we forwarded 77 letters to Santa that were answered by Christmas.

In addition to our weekly preschool story time program on Wednesday mornings, and Computer Basics on Thursday evenings, we have Letter Writing workshops several Thursdays each month. We were also able to bring a new version of the SAT preparation class to our high school aged residents. We began a new Music and Movement program for preschoolers on Saturday mornings. Two Girl Scout troops used the library for their meetings on a number of occasions. It is great to have children back in the library!

The Summer Reading Program, "All Together Now", was offered during the month of July for the elementary aged children of Wenonah, with fun stories, crafts and games. Two age groups of up to 15 children met twice a week. The StoryWalk stations begin at the front of the library and follow each of 15 pages around the grounds of the library and through the park; read a story and take a walk. Through the efforts of our volunteers, fun and interesting materials are featured in StoryWalk. In 2023, the Wenonah Historical Society featured information about the founding of the town and the Wenonah Arts Collective group highlighted the work of young local art students as a tribute to their teacher.

Check out our new website! Same address www.wenonahlibrary.com, but it has a fresh face and updated links to all the information and services the library can provide.

We also have a new email address. Contact us at frontdesk@wenonahlibrary.com!

The LOGIN app is being replaced, so use the library webpage to access the catalog or go directly to www.Login-libraries.org.

The social media presence of the library continues to grow. Wenonah Free Public Library is being followed by 651 people on Facebook and 270 on Instagram. We had 17310 interactions on Facebook and 1993 on Instagram. Have a look!

The library continued to implement planned measures to preserve our beautiful old building. In 2023, the work of repointing the front steps, repairing and painting our plaster walls, repairing the leaded windows and having the tables refinished, as well as, replacing the window blinds was accomplished.

We received donations this year in memory of long-time library advocate and board member, Peg McFadden. The library board is giving thoughtful consideration to how best to use the donations to improve the library.

Wenonah Library continues to be the place to find tax forms, borough newsletters, July 4th parade registration forms, and voter registration forms. When you need a copy or your printer runs out of ink, we can help. We take donations and collect Boxtops for Education and Campbell Soup labels for the Wenonah Home & School. We now have a Keurig machine available. Stop in for a cup of something warm while you find something great to read and visit with friends.

As technology changes the methods we use to communicate and access information, the Wenonah Public Library continues to find ways to fulfill our mission statement. "...to provide quality materials and services which fulfill educational, informational, cultural, and recreational needs of the entire community in an atmosphere that is welcoming, respectful, and businesslike."

Wenonah Shade Tree Commission

Report to Borough Council Reorganization meeting – STC Chair Gary Odenbrett

January 4, 2024

During 2023 the Wenonah STC continued its challenge in recovering from the tornado damage of 2021. Our town's tree canopy was severely impacted with concentrations of destruction in the SW and NE quadrants.

The first challenge was to identify trees in need of full removal which was accomplished thru a survey process by STC members. Full removals began in 2022 and continued thru 2023 which provided the opportunity to continue replanting.

In April of 2023 over the course of 3 consecutive Saturdays STC members joined hands with numerous volunteers to plant a total of 45 trees whose costs were generously provided thru the Wenonah Planting Fund under the leadership of Sarah Harbold. Oak, maple, elm, cherry, redbud and dogwood species were added to our tree canopy and will prosper for years to come.

Our sites were next set on providing a new tree canopy to the Wenonah Elementary School clear zone whose former trees graced both N. Clinton Ave. and E. Elm Street. Working thru a grant proposal with the Arbor Day Foundation and gaining contributions from local corporate and individual donors the STC was able to plant 17 new trees on November 9, 2023 at no expense to Boro taxpayers. It will take decades for these trees to reach the heights of the former trees lost, but we believe the school represents both learning and growth to our children and so year by year they can look out the school windows and see nature sharing in their maturity.

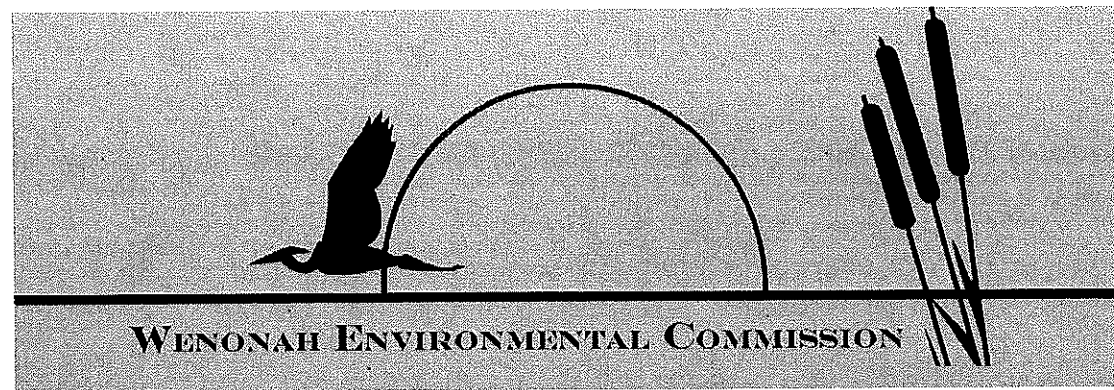

As a commission whose volunteer members are appointed by the Mayor we offer our time in service to the community. However much of what we accomplish can only be achieved with the partnerships of the many volunteers who contribute to Wenonah. We are indebted to the men and women who show up with shovel in hand knowing that what we do, will be for future generations of Wenonah residents. Paying it forward does not involve a paycheck but rather a sense of pride that like all our forefathers and mothers before us, built a legacy of volunteerism which thrives to this day.

As a partner with Boro Council we have accomplished so much in the restoration of Wenonah Park with great thanks to Jack Sheppard Jr for his leadership of the Wenonah Park Restoration Committee. As always so much of what drives us is shown by the excellence in service to taxpayers by Boro Clerk Karen Sweeney and her staff team of Carol and Huda. Lastly the commitment of Brian Nicholson who directs our Public Works Dept must be acknowledged. He and his team are like brothers in arms in our restoration projects. Only Brian knows that with each tree planted he will one day be sweeping up their leaves.

The STC looks forward to 2024 with thoughts of members who have passed on or passed through the Commission. Each one had a guiding hand in our success.

Mayor and Council of the Borough of Wenonah
1 South West Avenue
Wenonah, NJ 08090

Dear Mayor and Members of Council:

This letter will serve to summarize the accomplishments of the Environmental Commission during calendar year 2023:

- We partnered with the Wenonah Native Plant Garden Club on two projects. The first was to rehabilitate the Stone Pool Garden, an ornamental pond and sitting area near South Clinton Avenue. The second was to apply for a grant to install a pollinator garden at Wenonah Lake. While we didn't get the grant, there will be similar future opportunities in town where the two groups can collaborate.
 - We sent out a mailing to 93 landowners whose land borders the Conservation Area. In the letter, we first outlined what the Conservation Area is, where it is, and what laws apply to it. We then asked for these owners to help WEC by notifying proper authorities when an activity or condition in the Conservation Area requires attention.
 - In October, we and the Gloucester County Nature Club held the ninth edition of the Mad Hatter's Tree Party, attracting people of all ages to Eldridge Trail to learn about the importance of trees to the health of our local ecosystem.
 - For the 11th year in a row, we engaged a professional firm to chemically treat Comey's Lake against unsightly duckweed and algae plants during the summer months. (We discontinued treatments of Dilks' Pond as they no longer seemed to be needed.)
 - We continued a wide variety of regular maintenance tasks, including: replacing deteriorated footbridges, picking up trash, removing graffiti, cutting fallen trees, filling in sinkholes. Some of the trash we removed was quite large, including tables, chairs, fire pit bricks, and home construction debris.
-

- We sponsored two formal work parties, held three public hikes, and fielded teams for both Clean Communities Days. We also presented environmental awards to two graduating 6th graders.

I want to recognize and acknowledge that WEC lost two enthusiastic volunteers this year. **Jaime Fallon** and her dog Olive had walked our trails daily for many years. Jamie had just started volunteering with us on the Stone Pool Garden project mentioned earlier, when her life was tragically cut short. **Scott Conway** had served as our primary trail maintainer for 6 years, cheerfully taking on both major construction projects as well as day-to-day monitoring and maintenance tasks. He was in the middle of rebuilding bridges on the Break Back Run trail in November when he fell ill and later passed away.

In a small town these losses are felt not just at an organizational level, but at a deeply personal level. We will remember Jaime and Scott not just for the good work they did for our community, but for the good people they were, and for how privileged we were to have known them as friends and neighbors.

In 2024, the Commission will continue to keep the 121-acre "Ring of Green" healthy and accessible for all to enjoy.

Respectfully Submitted,

Scott Barnes

Re: Year to Date Activity Report (1.1.23 thru 12.14.23) for Code
Enforcement responses within the Borough of Wenonah

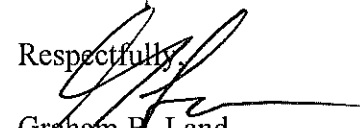

As requested I am submitting a Year to Date report on Code Enforcement responses within the Borough of Wenonah. Attached are a complete listing of all complaints received and/or conditions acted on within Wenonah. A small sampling of Cases follows:

1. Total 134 cases open year to date. Complete listing is attached.
2. A total of 16 cases remain open/active, going back to 10.2.20. Some of these open cases are matters referred to the Municipal Court for prosecution. Court is still operating under some COVID restrictions, resulting in delays. Listing of all open/active cases is attached.
3. Violation breakdown summary:
 - a. Sign placement violations (bandit signs/political signs) 30
 - b. Violations of Solid Waste regulations/Bulk trash violations 36
 - c. General property maintenance issues 24

I am unable to produce a total number of inspections performed in response to complaints at this time.

It has been a pleasure to serve the Borough these past years. I hope this information is informative and helpful to you.

Respectfully,

Graham B. Land
