

BOROUGH OF WENONAH 2025

YOUR 2025 MAYOR AND COUNCIL

Dear Neighbors,

“Be at war with your vices, at peace with your neighbors, and let every new year find you a better man.” (Benjamin Franklin)

Happy new year! 2025 holds the promise of setting and conquering new personal goals, making memories with loving family, and forming new traditions with our friends and neighbors. While we may face difficult moments from time to time, I take comfort in knowing that Wenonah has a wealth of caring individuals and dedicated volunteers to help us through.

The Borough is happy to share the 2025 Calendar with you. Please use this as a resource for learning about the many special things Wenonah has to offer. Our volunteer groups give generously of their time and talent to program many opportunities for us to engage as a community. If you aren't yet a member of a community organization, consider joining one and getting involved.

You can also use this calendar as a reminder of the services the Borough offers our residents. I encourage you to also visit the Borough website at boroughofwenonah.com, and follow us on social media for ongoing updates and information. If you have any questions, comments, or concerns, I welcome you to contact me at jdoheny@boroughofwenonah.com.

Mayor Jessica S. Doheny

MANTUA TOWNSHIP POLICE DEPARTMENT

The Mantua Police Department is proud to be of service to the residents of Wenonah, 24 hours a day, 7 days a week, 365 days a year.

When should you call 911? We offer this advice. 911 should be called to report a crime in progress, suspicious vehicles/activity, a car crash, an injured person/animal, somebody who might be in danger, or any other perceived emergency. We encourage you to call as soon as possible if you observe suspicious activity or if you believe a crime has been committed. The single most important determination of whether a case will be solved is the information the victim/caller supplies to the immediately responding patrol officer(s). Please do not email us or use social media in the above named circumstances.

If you simply need information, to file a report about a crime that is not in progress, or to speak with an officer for any non-emergent concern, please call (856) 589-0911. This will call into the Gloucester County Dispatch Center.

If you need to obtain a crash report or other record, please call (856) 468-1920 and follow the prompts or email records@mantuatownship.com.

Our officers are held to the highest of standards and are expected to provide a level of service that is second to none. To better relate to the communities that we serve, we often get out and interact with residents during times when we are not taking enforcement actions. This includes special events, parades, community related meetings or even handing out candy during Halloween. We also aim to hold several Coffee-with-a-Cop type events throughout the year. Overall, it takes all of us working together to make our communities the best they can be.

DEPARTMENT OF PUBLIC WORKS

Wenonah Public Works Department prides itself with providing our residents with quality services. We fill our daily schedule with picking up leaves, yard waste, and branches year-round. Seasonally we maintain all Borough properties whether it is mowing our many acres of grass or plowing our 12-plus miles of roads. Daily, we treat and maintain the water, sewer, and storm drain utilities to keep in compliance with the NJDEP.

Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations. Public Works also collects your appliances and scrap metal for recycling.

BULK BRANCH & YARD WASTE COLLECTION

- Beginning the week of February 10th and ending on March 24th, bulk branches and yard waste will be collected on a continuous rotating basis throughout the Borough. These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.
- Please **DO NOT** put branches or yard waste in bags or containers during the bulk branch and yard waste collection period.
- Please place branches and yard waste in the street, far enough from the curb line, to allow water to flow to the storm water catch basins.
- Branches and yard waste should be placed a minimum of 10 feet from all storm water catch basins.
- Please **DO NOT** place branches and yard waste near parked cars. Adequate space is required for Borough large branch and yard waste removal equipment.
- **DO NOT** mix in trash with branches and yard waste. If those items are mixed in, they can not be collected.

BULK LEAF COLLECTION

- Beginning the week of October 20th and ending the week of December 8th, bulk leaves will be collected on a continuous rotating basis throughout the Borough.
- Residents may also include other compostable yard waste in with their bulk leaf collection such as plants, flowers and pine needles.
- Please **DO NOT** mix wood branches, limbs or trash in with leaves. If these items are mixed in or are on top of the leaves, they cannot be picked up.
- Please **DO NOT** put leaves in bags or containers during the bulk leaf collection period.
- Please place leaves in the street far enough from the curb line to allow water to flow to the storm water catch basins.
- Leaves should be placed a minimum of 10 feet from all storm water catch basins.
- Please **DO NOT** place leaves near parked cars. Adequate space is required for the Borough's leaf removal equipment.

SNOW REMOVAL GUIDELINES

- When snow is expected, please make every attempt to park your vehicle in a driveway.
- If you must park in the street, use the "odd/even system" to facilitate snowplowing.
- If the storm is expected on an odd numbered day, park on the odd numbered side of the street.
- If the storm is expected on an even numbered day, park on the even numbered side of the street.
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the Borough plows have passed before shoveling your driveway.
